BERTRAND CABOS.

Feb. 2, 1891. 2m. Golconda, Nevada.

A MAINE METEOR.

A large meteor passed over Madison, Maine, Tuesday morning about 4:15 o'clock. Those who saw it describe it as appearing the size of a full moon. It burst with a loud report, scattering pieces in all directions. In Madison the houses were shaken as if by an earthquake, and people were awakened from their slumber by the jar of the building. Those who awoke were surprised by a bright flash of what appeared to be lightning, followed by long heavy rolls of thunder and apparent earth tremors. The meteor was seen from others towns, and many saw the strange light and felt the concussion.

How to Break Up a Severe Cold.

From the Virginia City, Mont., Madisonian.

When we find a medicine we know to possess genuine merit, we consider it a duty, and we take pleasure in telling the public what it is. Such a medicine we found Chamberlains's Remedy. By the use of this syrup we have relieved in a few hours, severe colds, and in the course of two or three days, entirely broken them up as has several of our friends to whom we have recommended it. It is all it is represented to be by the manufacturers. If you have a cough and want to stop it, Chamberlain's Cough Remedy will do the work. For sale by Eagle Drug Store.

There is no danger of cold resulting in pneumonia when Chamberlain's Cough Remedy is used as directed "for severe cold." It effectually counteracts and arrests any tendency of a cold to result in pneumonia. This fact was fully proven in thousands of cases during the epidemic of influenza last Winter. For sale by Eagle Drug Store.

A Physicians Advice.

I suffered for years
from general debility.
Tried other remedies,
and got no relief.
My Physician prescribed S. S. S.
I increased in flesh;
My appetite improved;
I gained strength;
Was made young again;
It is the best medicine I know of.

The Pulpit and the Stage

Rev. F. M. Shrout, Pastor United Brethren Church, Blue Mound, Kan., says: "I feel it my duty to tell what wonders Dr. King's New Discovery has done for me. My lungs were badly diseased, and my parishoners thought I could live only a few weeks. I took five bottles of Dr. King's New Discovery and am sound and well, gaining 26 lbs. in weight.

Arthur Love, Manager Love's Funny Folks Combination, writes; "After a thorough trial and convincing evidence I am confident Dr. King's New Discovery for consumption beats 'em all, and cures when everything else fails. The greatest kindness I can do my many thousand friends is to urge them to try it." Free trial bottles at Harry Marett's Drug Store. Regular sizes 50c and $1.00.

The Parent of Insomnia.

The parent of insomia or wakefulness is in nine cases out of ten a dyspeptic stomach. Good digestion gives sound sleep, indigestion interferes with it. The brain and stomach sympathizes. One of the prominent symptoms of a weak state of the gastric organs is a disturbance of the great nerve entrept, the brain. Invigorate the stomach, and you restore equilibrium to the great center. A most reliable medicine for the purpose is Hostetter's Stomach Bitters, which is far preferable to mineral sedatives and powerful narcotics which, though they may for a time exert a soporific influence upon the brain, soon cease to act, and invariably injure the tone of the stomach. The Bitters, on the contrary, restore activity to the operations of that all-important organ, and their beneficient influence is reflected in sound sleep and a tranquil state of the nervous system. A wholesome impetus is likewise given so the action of the liver and bowels by its use.

Notice of Sale.
